Hi Barbara and Andrew,
I wanted to let you know that Bob really liked your slide deck. We will not use it for the formal briefing tomorrow -- mainly because we don't think we will actually get that deep into FA -- but I wanted to make sure that Bob was at least informally in the loop of your work. Hopefully, in June we will set it up for you to do a formal briefing.

Thanks again for all your help.

Tina

Hi Tina,

Please find attached the draft slides Barbara and I prepared for the 5/5 briefing.

The deck includes 6 slides on the general recommendations, 4 "back pocket" slides on specific science issues, and 3 additional slides with information you might find handy.

Barbara and I are happy to discuss these with you next week and can provide more detailed notes on the slides if needed.

-Barbara and Andrew

Team,

General IRIS briefing has been scheduled for 5/2 and formaldehyde 5/5. If these holds, Kris will go with me, Bob, and Bruce. Barbara/Andrew -- if you could have the formaldehyde briefing slides to me by Monday at the latest, that would be great. Sooner would be lovely too, if possible.

Thanks,

T.
